

For those booking flights, hotels, or rental cars through the Chase Ultimate Rewards portal, knowing the correct **Chase travel phone number** is the difference between a seamless trip and a stressful delay. Whether you need to change a flight, inquire about travel insurance, or speak with a travel designer, having the right contact information is essential.

Below is the comprehensive guide to reaching Chase Travel support in 2026.

## Primary Contact: Chase Travel Phone Number

If you need immediate assistance with a booking made through the Chase Travel portal, the most direct line for general customer support is:

- **Chase Travel Support: 1-888-483-9719**

This number serves as a central hub for Chase customers. When calling, listen for the prompt related to "Travel" or "Credit Card Rewards" to be routed to the appropriate agent.

## Why Use the Chase Travel Phone Number?

While many tasks can be handled online, certain situations require a live person. Call **1-888-483-9719** for:

- **Flight Cancellations & Rebookings:** When airlines change your itinerary, a Chase Travel agent can help you find alternative flights that aren't visible on the website.
- **Special Requests:** For specific needs like adding a frequent flyer number, requesting bulkhead seating, or arranging wheelchair assistance.
- **Complex Itineraries:** If you are booking a multi-city trip or using a mix of points and cash that the portal is not processing correctly.
- **Emergency Assistance:** If you encounter issues while traveling, such as a hotel refusing your voucher or a rental car agency claiming no availability.

## Dedicated Lines for Premium Cardholders

If you hold a premium card like the **Chase Sapphire Reserve®** or the **Chase Sapphire Preferred®**, you may have access to enhanced support:

- **Sapphire Reserve Travel Designer:** Reserve cardholders can often bypass general queues to speak with specialized travel consultants who can curate high-end itineraries.
- **International Support:** If you are outside the U.S., call the number on the back of your card. Most international collect calls are accepted by Chase for urgent travel matters.

## Tips for Faster Service

To ensure your call to **1-888-483-9719** is handled quickly, have the following information ready:

1. **Your 16-digit Chase Credit Card Number:** This is used to verify your identity.

2. **Booking Confirmation Number:** This can be found in your Chase Travel confirmation email or in the "Travel" section of the mobile app.
3. **Specific Flight or Hotel Details:** Including dates, times, and confirmation codes from the airline or hotel directly.

## Alternative Ways to Contact Chase Travel

If you don't need an immediate answer, you can also manage your travel through:

- **The Chase Mobile® App:** Navigate to "Benefits & Rewards" and then "Travel" to see your upcoming trips or initiate a chat.
- **Secure Message Center:** Log in to your Chase online account to send a secure message for non-urgent inquiries regarding past bookings or points redemptions.

## Final Word

Navigating the Chase Travel portal is a great way to maximize your Ultimate Rewards points. By keeping the **Chase travel phone number 1-888-483-9719** saved in your contacts, you ensure that expert help is always just a phone call away, no matter where your travels take you.
